Homeowner's Name: \_\_\_\_\_

Property Address: \_\_\_\_\_

Home Phone: \_\_\_\_\_ Work Phone: \_\_\_\_\_ email \_\_\_\_\_

This request is subject to restrictions as outlined in the Declaration of Covenants for Green Trails Homeowners Association. Any variation from the original application must be resubmitted for approval. No work shall commence until the homeowner has received written approval from the Green Trails Architectural Review Committee.

If the application is for a structural modification (deck, permanent landscaping, fence, driveway, etc.) please include a copy of the property plat with a diagram of the modification drawn to scale on the plat. Include a detailed description, or a picture or manufacturer's brochure, of the modification. For example, a full description of the height and style of a fence, a brochure or drawing of an exterior door, or a diagram of a proposed deck, including the specifications of the materials to be used, must be provided. If requesting an exterior color change, a sample of the proposed color of paint or siding must be included. A sample of acceptable colors may be seen at the ManorGate clubhouse.

Approval is contingent upon all work being completed in a workmanlike manner. Members of the Architectural Review Committee may make a routine inspection of the completed modifications. All modifications must be completed within one year of approval. **Approval of the Committee in no way relieves the homeowner of the responsibility to obtain any necessary Fairfax County permits.**

**All approved modifications require the owner to advise Sequoia management when the project commences and again when the project has been completed.**

Homeowner hereby acknowledges and agrees that Homeowner will be solely liable for any claims, including, without limitation, claims for property damage or personal injury, which result from the requested addition or modification. Homeowner hereby indemnifies Green Trails Homeowners Association, Green Trails Architectural Review Committee, and the Management Company from and against any and all such claims. Moreover, Homeowners accepts responsibility for all maintenance, repair, and upkeep of said addition or modification.
